EDUCATION

University of Vermont (UVM), Burlington, VT — Expected Graduation: June 2029
Bachelor of Science in Electrical Engineering — *GPA: 3.98 (Major: 4.0)*
Undergraduate Certificate in Autonomy and Robotics

- **Related Courses:** Circuits I, Signals & Systems, Computer Organization, Engineering Ethics/Leadership.
- **Honors & Awards:** UVM Green & Gold Scholarship (2025), Rockowitz Scholarship (2025).

TECHNICAL SKILLS

- **Languages:** Python, C/C++, Java | **Tools:** ROS 2, LTspice, Linux | **Hardware:** CAN bus, wiring harnesses

RELATED EXPERIENCE

Alternative Energy Racing Organization (AERO), Burlington, VT — November 2025 – Present
Inverter Project Lead / Electrical Team

- Lead motor and inverter integration for the 2026–27 season, including a new DTI HV-550 inverter; also on the battery pack team.
- Flashed firmware on a Cascadia Motion PM100 inverter, built its wiring harnesses, and calibrated the Emrax 228 motor's resolver offset using back-EMF coast-down measurements.
- Configured CAN communication with the inverter and monitored live telemetry during motor testing.
- Helped team spin the wheels on the car for the 2026 competition, the first time since before the pandemic.

UVM Research Experience for Undergraduates, Burlington, VT — September 2026 – Present
Undergraduate Researcher

- Developing UVM's Autonomous Weeding Robot under Dr. Luis Duffaut, continuing the 2025–26 SEED team's work.
- Built ROS 2 simulations of a differential drive robot, including a PD go-to-goal controller and a potential field planner using simulated LIDAR, visualized in Gazebo and RViz.

FIRST Tech Challenge Team 18650, Bennington, VT — September 2025 – Present
Mentor

- Assist in debugging and troubleshooting of programming and other software-related issues for Team 18650.
- Attended the 2026 FIRST World Championship with Team 18650, the first southern VT team to qualify.

Team Captain — September 2024 – June 2025

- Led team in the 2024–2025 season to the winning alliance at the Vermont State Championship, placing 2nd overall, and securing an invitation to the New England Premier Event.

ADDITIONAL EXPERIENCE

Nature's Market, Manchester, VT — 2022 – August 2025, Summer 2026
Cashier and Trainer

- Provided excellent customer service to dozens of members daily, while also building strong customer relationships to encourage repeat business.
- Trained new employees on policies, inventory, and customer service.
- Maintained product database and supported backend operations.

Sonatina Piano Camp, Bennington, VT — Summers 2025–2026
Junior Faculty Member

- Supervised campers of different ages and skill levels, ensuring safety and positive experiences.
- Led activities and provided mentorship, fostering teamwork and personal growth.
- Taught piano lessons, supporting campers' musical development and honing teaching skills.
